# Article Processing Charges

Accepted manuscripts will be published on the understanding that the author(s) will pay the page charges as indicated on submission. An order form with payment details is provided at the proofs stage of manuscript submission. A PDF of the final article is provided free of charge upon publication.

**Article Processing Charges:** After final acceptance of manuscripts, authors can choose between one of the two following options to cover for publications costs.

**Option 1:** The publication charge is calculated based on the number of pages and color figures of the final accepted manuscript. All Spandidos Publications journals have the same fees for option 1.

	EUR	GBP	USD
Basic charge (total amount for up to 5 pages)	€220	£200	\$320
Each additional page	€110	£90	\$160
Reproduction in color, per page	€390	£310	\$520

Color figures should only be submitted if intended for publication. Fees for color reproduction are calculated based on the figures at the time of manuscript acceptance. Figures may not be changed to black and white once a manuscript has been accepted.

**Option 2:** A fixed charge is applied irrespective of the total number of pages or color figures. In addition, the articles are made immediately available as open access and appear online at PubMed, PubMed Central and Europe PMC. This option complies with a number of funding bodies (see open access section online).
